Agricultural Education Center Baylis. JWCC's Agricultural Education Center is located adjacent to the University of Illinois Orr Agronomy Research Center and 191-acre Beef Research Unit, which helps provide hands-on research and practical opportunities for students.

Agricultural Education Center - John Wood Community College

The agricultural systems management (ASM) program combines an understanding of the agricultural, biological and physical sciences with economics, managerial and technical skills.

Agricultural Systems Management | Academic Majors | NDSU

Agricultural extension is the application of scientific research and new knowledge to agricultural practices through farmer education. The field of 'extension' now encompasses a wider range of communication and learning activities organized for rural people by educators from different disciplines, including agriculture, agricultural marketing, health, and business studies.

Agricultural extension - Wikipedia

Considering transferring to Brooklyn College from outside CUNY? BC assigns credit for a wide variety of coursework completed at other colleges and universities.

Brooklyn College

The College of Agriculture and Life Sciences at Cornell is one of the best colleges of its kind in the world. It is a place where world-class faculty and top-notch students come together in an environment that promotes mutual respect, diversity, inquisitiveness, and dedication to applying knowledge with public purpose.
