Transitioning Traditional Libraries to Digital By Janet Spencer ABSTRACT This paper focuses on some of the challenges of transitioning from traditional to a digital Library. With the world becoming more technology inclined traditional libraries have to meet the needs of present users.

Transitioning Traditional Libraries to Digital - eduScapes

As countries make the transition from the MDGs to the SDGs, it will be critical to invest in key accelerators of progress from the outset. This should include investments in the empowerment of women and girls, sustainable energy for all, and the sustainable use and conservation of biodiversity. I hope that the lessons from the CEB
